Post-Baccalaureate Plan for the Didactic Program in Dietetics Requirements

Transcript Evaluation
- All coursework completed outside UH must be evaluated for equivalency by the Didactic Program Advisor.
- All applicants must provide copies of original sealed transcripts from all colleges/universities attended that show proof of degree conferred.
- International applicants must have their transcript evaluated by a CDR-Approved Nonprofit Validation Agency, and have an original copy of the evaluation sent to the UH Didactic Program Advisor.

Recency of Coursework
- Nutrition coursework older than five years will not be accepted toward the plan.
- Medical Nutritional Therapy, Advanced Nutrition, and Nutrition Assessment and Planning must have been completed within the last two years to be accepted toward the plan.

Course Requirements
- A minimum of 18 credit hours of nutrition coursework must be completed at UH regardless of previous courses completed.
- A grade of B- or better is required for transfer of coursework to the plan.
- Final decision on transfer of coursework towards the plan is at the discretion of the Didactic Program Director.

All deficiency plans must be completed within three years to be valid. If not completed, it is the responsibility of the student to initiate re-evaluation to ensure validity of the plan. This plan is non-degree seeking.

Requirements for Earning a Verification Statement

A verification statement is an official document that certifies successful completion of a Baccalaureate degree and the requirements of a Commission on Accreditation of Dietetic Education (CADE) accredited program. A verification statement is required to qualify for application to a Dietetic Internship. UH students must complete the program with a GPA of 3.0 in the Didactic Program required coursework to qualify for a verification statement.
